In this first tale, Batwoman battles a madwoman known as Alice, inspired by Alice in Wonderland, who sees her life as a fairy tale and everyone around her as expendable extras. 978-1-4012-2690-3 | $24.99/$28.99C 50,000 | DC Comics | HC | July
MYSTERY, THRILLERS & SUSPENSE

Laurie R. King

THE GOD OF THE HIVE
Picking up where the bestselling The Language of Bees left off, The God of the Hive finds its characters scattered to the four winds. Russell is covertly making her way back to London, picking up a mysterious friend with a hidden past along the way. Holmes has fled to Holland, hiding a wounded son, poring over a host of questions. And the villains who nearly killed them all are still alive. King weaves a jawdropping cat-and-mouse tale, where Russell and Holmes must draw upon all of their considerable wits to solve this mystery and survive a foe who intends to see the entire Holmes bloodline bled dry.

Christoper Chabris and Daniel Simons

**THE INVISIBLE GORILLA: And Other Ways Our Intuitions Deceive Us**

The authors’ world-famous “Gorilla Experiment” has been covered by hundreds of electronic and print media, discussed by characters on the TV show “CSI,” and is the subject of a dozen exhibits in science museums around the world. Here the professors present their thought-provoking look at misperception and understanding, explaining how we often fail to recognize the evidence that lies right in front of us, and providing a kind of “x-ray vision” that will enable readers to conquer faulty thinking.

**BLIND DESCENT:**
The Quest to Discover the Deepest Place on Earth
In 2004, two teams— one American and one Russian— raced to make this last great terrestrial discovery. Remarkable scientists and adventurers made up both expeditions, and they were led by two equally remarkable men, lifelong scientists and cave explorers, polar opposites in temperament and style, one mild-mannered, the other monomaniacal. *Blind Descent* is the story of these teams and their leaders, who would join the titans of discovery like Scott and Amundsen, Hillary, Cousteau, and Armstrong. Although one team “won” this race, both could claim success in a realm where the ultimate victory was survival itself. *Waitsfield, VT*

**THE AFTERMATH:**
A Guide to Preparing For and Surviving Apocalypse 2012
In Apocalypse 2012, Joseph appraised the likelihood of planet-wide catastrophe in 2012. Now, he answers the most pressing question to arise from the investigation: What do we do about it all? Written in the same wry, entertaining style, *The Aftermath* brings together investigative reportage, historical research, scenario planning, and practical advice to help control the damage should the world as we know it end in 2012. *Beverly Hills, CA*

John Vaillant
**THE TIGER:**
A True Story of Vengeance and Survival
When Yuri Trush was called to investigate an attack by a Siberian tiger in Russia’s remote Far East, he was stunned to find nothing remaining of the victim but stumps of bone protruding from his boots. Even more chilling was evidence that the attack was carefully orchestrated and it happened again! Trush must research a deadly force and all the elements surrounding the killings: Chinese and Russian settlers—trappers, thieves, deserters, exiles. A haunting exploration of predators and prey. *Vancouver*
BANKERS: 
The Wall Street Takeover and the Next Financial Meltdown
Simon Johnson and James Kwak
Following the financial crisis of 2008, the largest banks at its center have emerged even bigger, more profitable, and more resistant to regulation. Without effective government intervention, these banks threaten to create yet another crippling economic downturn. The choice is stark: accede to vested interests, or reform through stringent regulation.

RuleS for Radical Conservatives: 
Beating the Left at Its Own Game to Take Back America
David Kahane
The vast right wing conspiracy has found its General Patton and his name is David Kahane. Kahane’s pseudonymous, satiric column for National Review Online, lampooning the Left via his Hollywood-radical persona—Stephen Colbert’s liberal doppelganger—is must reading for political aficionados of all stripes. Now, from the inside, Kahane proudly exposes the secret—and-not-so-secret winning strategies—and vulnerabilities—of the Left and gives desperate conservatives a roadmap to victory, in a take-no-prisoners manual modeled after Alinsky’s Rules for Radicals, C. S. Lewis’s The Screwtape Letters, Machiavelli’s Prince, and, of course, the Chicago Way.
