

# THE SERPENT KING

By Jeff Zentner

The son of a preacher faces his personal demons as he and his two outcast friends try to make it through their senior year of high school in the rural United States without letting the small-town culture destroy their creative spirits and sense of self.

•**AN AMAZING LITERARY DEBUT** with strong commercial potential in the contemporary fiction genre.

•**SNAKE HANDLERS, SPEAKING IN TONGUES, AND CORRUPTION:** This is fresh ground for teens and they will be fascinated.

•**BULLYING AND CONSTRUCTIVE WAYS TO OVERCOME IT:** This trio may be outcasts, but they don't buy into other people's opinions of them. Music, fashion, and fantasy novels are the key coping mechanisms and escape valves for our trio of characters

•**PHYSICAL AND PSYCHOLOGICAL ABUSE WITHIN FAMILIES:** We see how special our narrators are, but their own families are part of their problem. Powerful.
