

TRAVELER

For readers of *Game of Thrones* and *The Hunger Games* comes book two in the Seeker series--
Traveler.

Now there's no turning back.

Special
Export
Edition

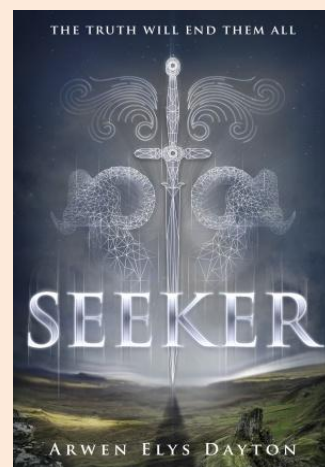

- This is an epic in the making. The second book in a trilogy told from multiple points of view.

- This is a contemporary Game of Thrones--families at war in a modern world with a powerful twist.

- This is both a boy and girl read, with both boy and girl protagonists, as well as a series with strong crossover potential.

- Page-turning action, gripping family drama, completely accessible.
