Beatrix Potter, Dragons & Tacos

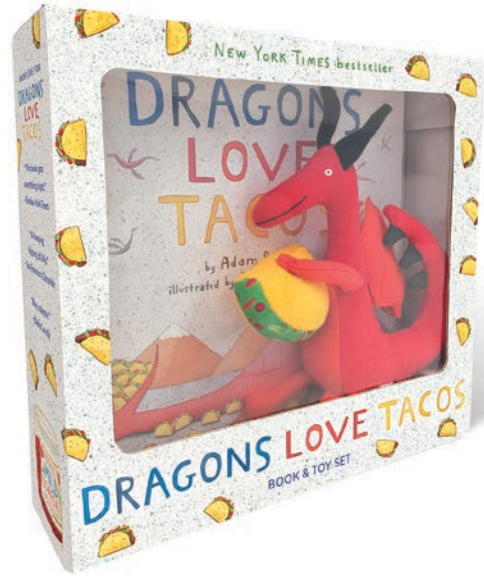

Celebration of Beatrix Potter

With illustrious tales of characters like Peter Rabbit, Squirrel Nutkin, and Jemima Puddle-Duck, Beatrix Potter established herself as one of the most cherished and influential author/illustrators of children's literature. To mark her milestone birthday, this gorgeous collection features beautiful illustrations of Potter's characters, as interpreted by well-known illustrators. Each illustration is accompanied by text from the artists explaining what that character means to them, making this a true celebration of Beatrix Potter. *112 pages.*

BEATRIX POTTER loved nature and drawing as a child. In 1893, Beatrix sat down to write a picture letter to Noel Moore, the five-year-old son of her ex-governess, all about a naughty rabbit called Peter. And that's how *The Tale of Peter Rabbit* was created.
