Friends Forever

Besties

Besties smartly captures all the reasons why best friends are . . . well, the best: they help you make decisions, are there through rough patches, and will always be your +1 for awkward parties. Even more than that, best friends are the people with whom dearest memories are shared, whether trivial or meaningful. In a style that is at turns both sweet and quirky, Goren illustrates the many ways in which close friendships withstand the test of time, cross-country moves, failed romantic relationships, and silly arguments. Featuring whimsical artwork and a sincere message, this is the book friends both young and mature will want to give each other to show their appreciation. *4C illustrations throughout, 96 pages.*

Every Frenchman Has One

Two-time Oscar winner Olivia de Havilland planted her standard on the Left Bank of the River Seine in late October of 1953, and it has been fluttering on both Left and Right banks with considerable joy and gaiety from that moment on. Paraphrasing Caesar, Ms. de Havilland says, "I came. I saw. I conquered." 144 pages.

Cause & Effect

F*ck That

An Honest Meditation

Your boss throws an “urgent” project on your desk at 4:30 pm. Your son takes 45 minutes to put on his shoes when you’re already running late. The cable customer service rep is both rude to you and unhelpful. When bad things happen, it’s easy to get caught up in the frustration, the annoyance, and the drama. Sure, you could try to remember that complicated breathing technique your yoga friend taught you, but who has time to breathe when their laptop keeps crashing on that overdue presentation? Humor writer Jason Headley takes on these, and life’s other everyday problems, in *F*ck That: A Guided Meditation*.
4c photos throughout, 64 pages.

JASON HEADLEY is a writer and director who’s short films have been featured on the Today Show, SundanceTV, Funny or Die, and recently Banksy’s Dismaland, as well as film festivals far and wide.

Living in the Moment

Life transpires in the present. Yet so often we let the present slip away, wasting our precious seconds worrying about the future or ruminating about what has passed. Instead, learning to live in the moment, also known as mindfulness, can have immense power to stop us focusing so much on doing and thinking and instead focus on being. Perfect either as a gift or self-purchase, this lovely little book features 18 inspirational quotes on living in the moment, each one followed by an insightful explanation, a thought-provoking activity or question, and a memorable affirmation. 128 pages.

DANI DIPIRRO, both author and illustrator of this lovely series of gift books, is founder of PositivelyPresent.com, an inspiring website found in 2009 to help others live more happily in each and every moment. Dani is also the author of the book *The Positively Present Guide to Life* and of the *Every Day Matters* 2015 and 2016 Diaries.

Punderdome

A Card Game for Pun Lovers

One part game, one part conversation starter, you don't need to be a pun master to master Punderdome: the goal is to make bad jokes and have fun in the process. A player (the prompter for that round) draws two prompt cards from the deck, reading the prompts to the rest of the group, who have 90 seconds to create a single, groan-worthy pun that combines the two prompts. When time is up, pun makers share their pun with the prompter, who awards the prompt cards to the player whose pun they like best. The winner then draws the next pair of prompt cards and the process repeats. *200 pages.*

BatDad

A Parody

When Blake Wilson bought a Batman mask on a whim while shopping with his kids, he had no idea that the short video he filmed of himself wearing it on his way home would be viewed by millions and launch the start of an alter ego: BatDad. Soon, Blake was using Batman's gruff voice and nihilistic outlook to dispense parenting humor on everything from nose-picking to homework in videos that attracted a massive following and global media attention. In *BatDad*, he'll offer witticisms through photos that capture the spirit and humor of the videos. *4C photos throughout, 64 pages.*
