Library of Souls

The Third Novel of Miss Peregrine's Peculiar Children

THE THIRD BOOK IN
THE BEST-SELLING SERIES
NOW IN PAPERBACK!

by Ransom Riggs

The adventure that began with *Miss Peregrine's Home for Peculiar Children* and continued in *Hollow City* comes to a thrilling conclusion with *Library of Souls*, available for the first time in paperback. As the story opens, sixteen-year-old Jacob discovers a powerful new ability, and soon he's diving through history to rescue his peculiar companions from a heavily guarded fortress. Accompanying Jacob on his journey are Emma Bloom, a girl with fire at her fingertips, and Addison MacHenry, a dog with a nose for sniffing out lost children.

They'll travel from modern-day London to the labyrinthine alleys of Devil's Acre, the most wretched slum in all of Victorian England. It's a place where the fate of peculiar children everywhere will be decided once and for all. Like its predecessors, *Library of Souls* blends thrilling fantasy with never-before-published vintage photography to create a one-of-a-kind reading experience.

RANSOM RIGGS is the author of *Miss Peregrine's Home for Peculiar Children* (Quirk, 2011), a *New York Times* best seller with more than 2 million sold, and its best-selling sequel, *Hollow City* (Quirk, 2013). Translation rights have been sold to more than 25 territories around the world.

Geekerella

A Novel

ANYTHING CAN HAPPEN
ONCE UPON A CON...

by Ashley Poston

Geek girl Elle Wittimer lives and breathes *Starfield*, the classic sci-fi series she grew up watching with her late father. So when she sees a cosplay contest for a new *Starfield* movie, she has to enter. The prize? An invitation to the ExcelsiCon Cosplay Ball, and a meet-and-greet with the actor slated to play Federation Prince Carmindor in the reboot. With savings from her gig at the Magic Pumpkin food truck (and her dad's old costume), Elle's determined to win... unless her stepsisters get there first.

Teen actor Darien Freeman used to live for cons—before he was famous. Now they're nothing but autographs and awkward meet-and-greets. Playing Carmindor is all he's ever wanted, but *Starfield* fandom has written him off as just another dumb heartthrob. As ExcelsiCon draws near, Darien feels more and more like a fake—until he meets a girl who shows him otherwise. But when she disappears at midnight, will he ever be able to find her again?

Part romance, part love letter to nerd culture, and all totally adorbs, *Geekerella* is a fairy tale for anyone who believes in the magic of fandom.

ASHLEY POSTON is the author of *The Sound of Us* and *We Own the Night*, both published by Bloomsbury Spark.

The Spectacular Sisterhood of Superwomen

Awesome Female Characters from Comic Book History

**“Don't laugh too loud,
or she's liable to burn
out your eyes with
her laser powers.”**

by Hope Nicholson

Sure, you're familiar with Wonder Woman and Batgirl. But what about Tomboy, the sweet teen-aged gal-next-door by day and masked crook-pummeler by night? Or the Jaguar, an exchange student from Brazil coping with both feral animal powers and baffling American culture? Or Street Angel, the 13-year-old skateboarder who outfights ninjas and outsmarts demons?

From tough-talking detectives and sarcastic social critics to cape-wearing crimebusters and ordinary teenagers, female protagonists have filled just about every role there is in comics. Yet too few have achieved the high-level pop-culture status of their male counterparts. Now is the time to give these successful, but largely unknown, characters their due, proving that not only do strong female protagonists belong in comics, but they've always been there. With vintage art, publication details, and enthusiastic commentary, comics publisher and researcher Hope Nicholson brings these lost ladies of the comics world back to life.

HOPE NICHOLSON is the owner and founder of Bedside Press, specializing in archival and anthology comics collections. Named one of *Flare* magazine's Top 30 Female Entrepreneurs in Canada, she has been featured in the *Winnipeg Free Press*, *Toronto Star*, the *Globe & Mail*, Comics Alliance, Bleeding Cool, Comic Book Resources, and io9.

The Legion of Regrettable Supervillains

Oddball Criminals from Comic Book History

“THE DEATH RAY WILL CONQUER THE WORLD! I, DR. DRACULA, WILL BE GOVERNOR OF AMERICA!”

by Jon Morris

Heroes need villains, and that’s especially true in the good vs. evil world of superhero comics. But not every super-crook can achieve the status of a Lex Luthor or Doctor Doom. In *The Legion of Regrettable Supervillains*, author Jon Morris examines the changing face of villainy in comics, presenting 100 of the sorriest, strangest, most stupefying supervillains to ever see print. Vintage comic book art and Morris’s hilarious commentary introduce you to such rogues and felons as Brickbat (choice of weapon: poisonous bricks), Robbing Hood (steals from the poor to give to the rich), and Swarm (a man made of bees—Nazi bees!). Drawing on the entire history of the medium, *The Legion of Regrettable Supervillains* includes characters that haven’t seen the daylight in decades.

A cartoonist and graphic designer, **JON MORRIS** is the author of *The League of Regrettable Superheroes* (Spring 2015), which sold nearly 20,000 copies in its first six months. Since the late 1990s, he’s operated the blog *Gone & Forgotten*, an irreverent, in-depth look at the worst, the lowliest and most unfortunate stories and characters comic books have offered.

A HEARTY BOSS OF IRONY adds color to a supervillain's origin. And, for a baddie, the most piquant type of irony comes when you inadvertently create your own nemesis.

This is exactly what happens when the Black Hand, an ominous and pale figure whose withered right mitt can deliver death at a touch, accidentally triggers the origin of patriotic superhero Captain Flag. Flag begins his existence as flippant playboy Tommy Townsend. While the Black Hand and his minions capture Townsend's inventor dad in order to extract the details of a new bomb sight he created, young Tommy is wasting time, his dad's money, and his potential at "the exclusive Crane Club."

Getting nowhere with Tommy's pops, the Black Hand has Tommy abducted and tortured before his father's eyes. The Black Hand may have overestimated Tommy's worth, though, since the elder fellow continues to keep *shenanigans*. Having played all his cards, the Black Hand employs his terrible grip, first slaying the father and then clutching the young man around the neck.

Before he can strangle the life from Tommy, "a great bird"—a brown eagle—bursts through the window! It's an omen, although it also seems like an accident. The eagle "Alights on the only man-creature which threatens it no harm [sic]." Then it beats a hasty retreat, with Tommy in its clutches. The Black Hand is unconcerned, declaring: "That mollycoddle will never survive!"

Atop his rocky aerie, Tommy's new eagle pal—now dubbed "Yank"—provides the young wastrel with a strict regimen of exercise and healthy foods. Who knew that eagles could be such harsh taskmasters? Tommy is gifted with a flag that has somehow fallen into Yank's possession. He uses it to fashion a spy-smashing alter ego: Captain Flag!

His first mission, as he says: "I'm itching to tangle with that Black Hand and his mob!"

And tangle he does, making short work of the Hand's men, though the Black Hand escapes. In his final appearance, the Black Hand steals a yacht for piracy and is subjected to the ultimate punishment. He ends up swinging from the yardarm by a length of rope around his neck, apparently—and decisively—dead at last.

Or is he? Who's to say an *evil* eagle won't rescue and revive him? Perhaps we're all just pawns in the talons of the eagles who secretly control everything. Perhaps . . .

THE GOLDEN AGE 19

22 THE LEGION OF RESISTIBLE SUPERVILLAINS

BLACK TARANTULA

"I go to spread evil and wickedness among you . . . while I am around, devilry and cunning will remain on Earth!"

VILLAINS GET TO PLAY the long game. Whether their goal is world domination, the death of their greatest enemy, or the destruction of the entire universe, one thing is true: *they only need to wait once*. Because of this, long-lived lowlifes and farsighted fiends have the luxury of letting their plans develop slowly over time. Sometimes, in fact, they set preparations in motion centuries before their goal. Such as in the case of the sinister Black Tarantula!

The Black Tarantula—or, I should say, *this* Black Tarantula, since the story makes mention of others—has lived for almost a thousand years when his tale begins. Hanging out above his own grave, he's delighted to direct our attention to his tombstone. It reads "Zoraster Rorret" (that last name is a real treat for anyone who reads their comic books in a mirror). The dates read "1101—[blank]." Gasp! "I laugh," explains Count Rorret, a gaping grin splitting his ghastly green face, "because there is no date of my death! How can there be, when I have eternal life? I'm dead, yet never will I die!"

Grim but merry contradictions like that appear to be the Count's stock in trade. Holding forth in a graveyard at midnight, he calls upon evil souls to share with them "The tale of ugly life and beautiful death, of evil good and good evil." The story details his seduction of the Princess Elthema: denied the liberty to wed her true love, a clean-cut cementer called Leopold, the princess chooses what Rorret calls "The happiness of death."

Becoming a titanic black tarantula, he bites her. This causes a living death which seems indistinguishable from life except for one dramatic change: the princess now finds "evil to be her only thought." Oh, and she can turn into a "hideously beautiful" and deadly black tarantula.

Terrified of losing his princess, Leopold accepts some tarantula bites as well. But it turns out that Leopold's grandfather was also a Black Tarantula. Therefore, Leopold knows that blinding a Black Tarantula robs it of its power! Granddad must have let that one slip at the family reunion. Leopold captures and blindfolds Count Rorret, despite the count's evil powers and demonic sidekicks (such as a pink-furred, amorphous, and size-changing creep called the Shape, who eats a few villagers before disappearing).

Leopold and the princess are happily married, while the Black Tarantula is entombed—for a while, anyway. In our century, free to follow up on his insidious plans. Or he would have been if he'd made it to a second issue. But if he waits nine hundred years, maybe Rorret will get another shot.

Warren the 13th and the Whispering Woods

A Novel

EVERYBODY LOVES WARREN!

“An engaging mystery to unravel, with a few nice twists and surprises along the way.”—*New York Times Book Review*

“Stylish, exciting, funny, and just slightly macabre, this entertaining novel bodes well for Warren’s future adventures.”—*Publishers Weekly*

“Just the ticket for fans of *Unfortunate Events* in dim corridors and murky subterranean chambers.”—*Kirkus Reviews*

written by **Tania del Rio**
illustrated by **Will Staehle**

This sequel to *Warren the 13th and the All-Seeing Eye* begins soon after the first book’s conclusion. Twelve-year-old Warren has learned that his beloved hotel can *walk*, and now it’s ferrying guests around the countryside, transporting tourists to strange and foreign destinations. But when an unexpected detour brings everyone into the dark and sinister Malwoods, Warren finds himself separated from his hotel and his friends—and racing after them on foot through a forest teeming with witches, snakes, talking trees, and mind-boggling riddles. Once again, you can expect stunning illustrations and gorgeous design from Will Staehle on every page—along with plenty of nonstop action and adventure!

TANIA DEL RIO is the author of *Warren the 13th and the All-Seeing Eye* (Quirk, 2015). A professional comic book writer and artist, her clients include Archie Comics, Dark Horse, and Marvel. She is best known for her work writing and drawing the 42-issue run of *Sabrina the Teenage Witch*. She lives in Los Angeles. **WILL STAEHLE** illustrated and designed *Warren the 13th and the All-Seeing Eye*, plus many dozens of award-winning book jackets. *Print* magazine named him one of the Top Twenty under Thirty New Visual Artists. Secret Lives of the U.S. Presidents

Strange Stories and Shocking Trivia From Inside the White House

MORE THAN 150,000 COPIES SOLD!
A REDESIGNED AND REJACKETED
QUIRK FAVORITE, NOW WITH
2016 ELECTION RESULTS.

by **Cormac O'Brien**

This updated and redesigned edition of *Secret Lives of the U.S. Presidents* features outrageous and uncensored profiles of our commanders in chief—complete with hundreds of little-known, politically incorrect, and downright wacko facts. You'll discover that:

- Teddy Roosevelt was blinded in a White House boxing match
- John Quincy Adams loved to skinny-dip in the Potomac River
- Gerald Ford once worked as a *Cosmopolitan* magazine cover model
- Warren G. Harding gambled with White House china when he ran low on cash
- Jimmy Carter reported a UFO sighting in Georgia

With chapters on everyone from George Washington to President #45, whoever he (or she!) may be, *Secret Lives of the U.S. Presidents* tackles all the tough questions that other history books are afraid to ask: Which president claimed that God struck down Abraham Lincoln on purpose? How many of these folks were cheating on their spouses? And are there really secret tunnels underneath the White House? American history was never this much fun in school!

CORMAC O'BRIEN is also the author of *Secret Lives of the First Ladies* (Quirk, 2005) and *Secret Lives of the Civil War* (Quirk, 2007). He lives in New Jersey.
